

In partnership with Soles4Souls and Sport Chalet, we will be accepting gently worn mens's, women's & kid's shoes until **Sunday, Jan. 31.**

**You can also drop them off at your local Sport Chalet store.**

All of the shoes collected will be sent directly to Soles4Souls for distribution to the Haitian people.

The earthquake in Haiti is a reminder just how fragile our world is and seeing the devastation that has affected so many, we have got to help. **Through January 31, we will be collecting new and gently worn men's, women's and children's shoes to donate to the Haiti Shoe Drive.**

Shoes collected will be sent directly to Haiti for distribution to the Haitian people. Please check your closets NOW. You know that you or your kids have a few pairs of shoes that are too small or don't wear.

Many of us live with the threat of an earthquake every day, it's only a natural response to want to do something to help... please stop by and drop off one, two, or even three pair of shoes that can help someone in need today. Please tie the shoe laces together or put them in a bag.
