Robinson Elementary PTSA The Value of Membership

The purpose of the Robinson PTSA is to provide the best education in the most supportive environment for our children. This is accomplished by working in close partnership with parents, teachers, students and administrators toward these shared goals and by enthusiastically supporting our collective efforts. We are a non-profit organization dependent upon the generous financial support and unparalleled volunteerism of our members.

Historically, Robinson Elementary has reached 100% participation in the PTSA. That's incredible! It says a lot about our special Robinson families and their commitment to the school. A growing membership is an important part of the work of all PTAs. **The more members we have, the more we can affect legislation and school policies.** The PTSA contributes to providing a safe and nurturing environment of our children.
