

## **Welcome to Robinson!**

We are thrilled that you and your family are part of our Robinson Community. The smallest of the Manhattan Beach elementary schools, Robinson prides itself in fostering a sense of community among the students, parents and teachers.

We have compiled some helpful resources for you here. Please take the time to familiarize yourself with the materials and get to know our little jewel of a school a little better.

You can also keep informed of happenings around school on our website – [www.robinsonelementary.org](http://www.robinsonelementary.org) – and our weekly newsletter via email. When you registered your student for school through the district, you were automatically enrolled to receive email notifications. Please check with Joni in the office if you are not receiving emails once school begins. Extra newsletters are always available in the school office.

I hope that you will enjoy your experience at Robinson and capture our spirit of community and excellence. I look forward to seeing you soon!
